ANKIT VISHWAKARMA

Frontend / Web Developer

Thane, Maharashtra | +91-9172064626 | ankithvi909@gmail.com

PROFESSIONAL SUMMARY

Computer Science graduate (B.Tech, CSE) with hands-on project experience in building responsive, user-focused web applications using React.js, Vue.js, JavaScript and jQuery. Comfortable across the front-end stack (HTML, CSS, JS) with working exposure to building complete systems end-to-end, including UI, application logic and data-driven features. Quick learner, detail-oriented, and eager to contribute to a fast-paced engineering team from day one.

TECHNICAL SKILLS

Languages & Core: JavaScript, HTML5, CSS3

Frameworks & Libraries: React.js, Vue.js, jQuery

Core Competencies: Web Development, Responsive UI Design, Front-End Software Engineering, REST API Integration

Languages Spoken: English (Fluent), Hindi (Fluent), Marathi (Read/Write)

PROJECTS

Hospital Management System Personal Project

React.js, JavaScript, HTML/CSS

- Built a web-based system to digitize hospital workflows, covering patient registration, doctor appointment scheduling, and bed/record management.
- Designed reusable React components for patient records, appointments and admin dashboards, reducing manual paperwork and lookup time.
- Implemented role-based views for admin, doctor and receptionist users to streamline day-to-day hospital operations.
- Focused on a clean, responsive UI so the system is usable on both desktop and mobile devices.

Face Recognition Attendance System Personal Project

JavaScript, Web APIs, HTML/CSS

- Developed an automated attendance system that uses face recognition to mark attendance, replacing manual roll calls.
- Built the front-end capture and dashboard interface, allowing admins to view, filter and export attendance records.
- Reduced time spent on attendance tracking and improved accuracy compared to manual/paper-based methods.

LearnVerse — Online Learning Platform Personal Project

Vue.js, JavaScript, HTML/CSS

- Designed and built an e-learning platform where students can browse courses, track progress, and access learning material in one place.
- Implemented a component-based architecture in Vue.js for course listings, video/content pages and a student progress dashboard.
- Focused on clean navigation and responsive layout to give a smooth learning experience across devices.

EDUCATION

B.Tech, Computer Science and Engineering CGPA: 7.0

Chhatrapati Shivaji Maharaj University, Navi Mumbai

Class XII (Maharashtra Board) 60% — 2023

Class X (Maharashtra Board) 92% — 2021

PERSONAL DETAILS

Date of Birth: 11 March 2003 **Gender:** Male **Location:** Thane, Maharashtra
